

Hello, everyone –

Once again the Cambridge community is preparing for the Community Christmas Dinner to be held at the Embury United Methodist Church (Main Street in Cambridge) on Sunday, Christmas Day at 12:00 noon. This event has historically provided all involved with a great deal of joy; working to make this happen truly shows how we can easily accomplish great things - together.

If you are interested in volunteering or donating something, here is how to do that: call me – 677-5665 or respond to this e-mail. And, by the way – kids are more than welcome – they have been especially wonderful with decorating the hall and the take out containers.

Here is a general list of things that need volunteers:

- Scalloped potatoes – we can provide the ingredients
- Desserts – pies, brownies, cookies, whatever you'd like
- Decorating and set-up at the church – day before
- Packaging of take-out meals - Christmas Day
- Delivery of meals - Christmas Day
- Finish set-up and serving - Christmas Day
- CLEAN-UP – many hands make light work!

We always welcome your ideas. Some of the funnest things come from you! I have attached the flyer with information about the dinner. Please make copies if you can and post them in places where you go – church, eateries, public buildings, etc.- see how easy it is to volunteer!!!

Also don't forget to make reservations for you and yours. Chris Catlin will again be staffing the "Communication Center." Please call her at 677-2491 and let her know your plans. There is no charge for this dinner; you need not live in Cambridge to participate; we welcome everyone!

So on behalf of the hundreds people who have helped make this event a wonderful success, I thank you in advance. Please feel free to call (677-5665) or e-mail me (nmarsh@nycap.rr.com) with your suggestions and/or questions. I know that I am probably forgetting lots of things!

Naomi
